

There are many reasons to become a member of the Biophysical Society:

- ▶ Free Access to *Biophysical Journal Online* (now published twice monthly!)
–including eTOC, CiteTrack, *Biophysical Letters*, and *BioFAST* (papers published online ahead of print)
- ▶ Lower Page Charges when you publish in *Biophysical Journal*
- ▶ Free Color Illustrations in *Biophysical Journal* (must be deemed scientifically essential by a BJ Editor)
- ▶ Reduced Rates for *Biophysical Journal* Print Subscriptions—the number one peer-reviewed journal in biophysics (now published twice monthly)
- ▶ Opportunity to Submit or Sponsor an Abstract at the Annual Meeting—attended by more than 6,200 scientists
- ▶ Discounted Registration Fees for the Annual Meeting
- ▶ Eligibility for Student Travel Awards to attend the Annual Meeting—the world's largest meeting of biophysicists
- ▶ Free Employment Placement Service—a very effective way of filling—or finding—a position in a very short time
- ▶ Special Early Career Rate for Recent Graduates, allowing for full membership privileges for only \$55 per year!
- ▶ Complimentary Membership Directory, giving you easy access to Society members
- ▶ Free Bimonthly Newsletter to keep you up to date on how your Society is working for you
